

AGENDA

Immersive HIPAA Privacy & Security Training Experience
May 13-16, 2025 • Stone Mountain, GA

This one-of-a-kind 4-day event is designed for those who need to understand and manage a privacy & security program (such as HIPAA). This is not some schmoozy conference, but a specialized, intense training specifically designed for those who need to understand, design and manage a formal privacy and security program at their companies and organizations.
